**YOUTH ADVISORY COMMITTEE ELEMENTARY MINI-GRANTS
Criteria for Elementary (K – 6) Grantseekers**

Purpose: The intent of the mini-grants program is to introduce the concept of a community foundation and its work while supplying educational and funding opportunities. Grants of up to \$200 are available for projects or programs that will benefit elementary age students in Jackson County schools in order to encourage youth volunteerism through these projects or programs, and to enhance the school/classroom environment through positive activities.

What can be funded? Proposals that are school or student oriented will be considered for funding. These include special classroom projects planned by students, or extracurricular activities such as student newspapers, special sports or music projects. As this is a student program, teacher or administration projects/programs will not be considered for funding.

Who can apply? Grades 2 - 6 - Any student(s) and an adult advisor/teacher of a school club, organization or classroom in grades 2 - 6 can apply for a grant. All applications **must be hand written by the student(s)** and MUST be signed by the teacher AND principal. If an application is written by someone other than a student(s), it will be disqualified. However, teachers are encouraged to have students work on the proposal as a total class project, help them to investigate the cost of budget items, answer questions about the form, and give suggestions about appropriate responses. **No teacher or classroom may submit more than ONE application.**

Grades K - 1 - Teachers can either help students write the application or write it for them after class discussion for proposal ideas has occurred.

When & Where: **15 stapled copies** of the completed application must in the Foundation office by **5:00 p.m. November 3rd**. Mailing address: The Youth Advisory Committee, The Jackson Community Foundation, One Jackson Square, 308, Jackson, MI 49201. All proposals will be reviewed by the Youth Advisory Committee and notification of awards will be made in January.

Teachers are encouraged to explain the following terms to students:

Grant - a gift, donation, present or award.

Proposal - an act of putting forward or stating something for consideration.

Budget - a plan for the coordination of resources and expenses; the amount of money that is available for, required for, or assigned to a particular purpose

Community Foundation - a publicly supported organization, which administers and distributes income from (endowed) funds to community organizations.

Questions? Call Christine Taylor at the Foundation, 787-1321.

Youth Advisory Committee Mission Statement: To make the youth of Jackson County aware of opportunities, information and resources through cooperative leadership and financial support of projects which will improve the youth community and answer its needs.
