### **Jackson Community Foundation Broadens Scope of Unrestricted Community Grants in 2012**

The Board of Trustees of the Jackson Community Foundation is pleased to announce it will award \$227,000 in Unrestricted Community Grants in 2012. JCF is returning to its former broad grant making focus and will accept proposals in line with its Mission and Beliefs. Nonprofit organizations and school districts are encouraged to apply. Significant weight will be placed on proposals that demonstrate collective impact and collaboration. For proposals requesting more than \$5,000, Letters of Intent are due by June 1. All grant applications are due by 5 PM on Monday, July 16.

According to Monica Moser, JCF President & CEO, “The Foundation continues its mission to raise the quality of life in Jackson through building an endowment that enables meaningful grant making and scholarships to benefit our community.”

All application forms can be found on the Jackson Community Foundation’s website at [www.jacksoncf.org](http://www.jacksoncf.org). For more information, contact Dana Emerson, Grant and Scholarship Coordinator, at 517-787-1321 or [demerson@jacksoncf.org](mailto:demerson@jacksoncf.org)
