How many people do you anticipate being able to serve with this grant?

Describe the demographics of the people who will benefit from this grant (e.g. age, race, ethnicity, gender, sexual orientation, socio-economic status, physical ability, national origin, etc.)

Is your program/project based on someone else's idea and/or are you working with any other community group doing something similar?

Embracing diversity and inclusion and advancing equity are core values of the Jackson Community Foundation. The Jackson Community Foundation understands that efforts to become a culturally sensitive and diverse organization take time, and that each organization's journey is unique. In the following questions, help us understand how your organization is working to embed diversity, inclusion, and equity into its policies, practices, and programs. (For definitions of diversity, equity, and inclusion, please refer to page 6 of our "Community Needs Endowment Fund Grantmaking Priority, Aims, and Guidelines" which can be found on our website.)
