What is the Carter Wickwire Society?

During World War II, the families of Lt. John L. Carter and Pfc. John Gilbert Wickwire donated proceeds from the life insurance policies in the name of their sons, both of whom lost their lives in battle, to help form the Jackson Community Foundation. They lived here, worked here, and raised their families here. They were visionary philanthropists committed to making a positive impact on our community for generations to come. The Carter Wickwire Society honors individuals like you who have demonstrated their commitment to our community by naming the Jackson Community Foundation in their estate plans. Thank you for consideration joining this special group of people who have chosen to leave a legacy of love to our community.

Why Choose the Jackson Community Foundation?

Since 1947, the Jackson Community Foundation has created endowment funds to provide a sustainable source of funding to help build and strengthen our community, bringing together people and organizations that want to make a difference.

Our Mission: We connect people and resources to causes that strengthen and build our community. For Jackson. For good. For ever.

How to Become a Member?
