## JACKSON COMMUNITY FOUNDATION SCHOLARSHIPS

This year, we awarded scholarships from 34 different endowment funds. Each scholarship's eligibility requirements are established by the donor and may include GPA requirements; certain fields of study or college majors; graduation from specific Jackson County high schools; etc. Applicants range from graduating high school seniors, home-schooled students, students already in college, to adult returning learners. Applicants provide information about their extracurricular activities and work experience and write a personal essay about their educational and career goals. Nearly 70 community volunteers plus members of our Youth Advisory Committee read and scored all 283 eligible applications we received. Ultimately, 106 scholarships were awarded to 80 individuals totaling \$230,900.

### Early Bird Scholarship:

Maddox Hutchinson submitted his application by the early bird deadline on February 1st and won a \$2,500 scholarship via random drawing!

## MYER AND LOIS FRANKLIN SCHOLARSHIP

Myer and Lois Franklin were lifelong residents of Jackson, Michigan, and were highly appreciative of the success they enjoyed as a result of the opportunities afforded them in the Jackson community. In order to give back to others, they chose to leave a legacy of education. As strong believers in the power of education, the Myer and Lois Franklin Charitable Trust was established to be utilized as a vehicle for providing scholarships to residents of Jackson County.

The ability to give back to the community and the right to an education for all was of extreme importance to the Franklin family. They created the trust to provide scholarships embracing all members of the Jackson community no matter what their background in an effort to promote acceptance and access to education to those seeking same. All scholarship recipients are expected to be role models for the Jackson community and to demonstrate the qualities and perform the activities which enabled them to be selected as an outstanding scholarship recipient. The Myer & Lois Franklin Scholarship is unique from other JCF scholarships. It is a private scholarship administered by the Jackson Community Foundation. The scholarship is for Jackson County residents and is renewable. For this scholarship, applications are limited to the first 200 received. This year 169 students were awarded scholarships. The total amount awarded was \$317,500.
