1948 - 2023 Celebrating 75 years of serving Jackson County!

WOW!!! 75 years serving Jackson County! An accomplishment that truly could not have been achieved without the help of our volunteers, donors, community leaders, nonprofit partners, committee members, board, staff, and most importantly YOU! By supporting JCF, YOU are supporting our Vision to create a thriving community where all people have the opportunity to reach their fullest potential.

We have grown from our initial gift of $20,000 in 1948 to an astounding $32,000,000 at the time of printing this publication. Thanks to the power of an endowment fund, we were able to grant back over $32M to our community! Much of that money was used to achieve our Vision by supporting our local nonprofit and boots-on-the-ground organizations through grantmaking. Throughout this calendar, you will see tangible examples of how we are working to achieve our Vision along with stories of impact and honor to those who came before us. Our funds exist to achieve these goals. Will you consider partnering with us this year by making a gift to help continue our rich tradition of service for the next 75 years and beyond?

Be on the lookout for events in 2023 to help us celebrate this milestone and the community we love.

With a grateful heart,

Monica Moser, President & CEO

Building a Foundation

The Jackson County War Committee was established in 1942 during World War II. Its most important commitment was to raise funds for their War Chest to provide services to American prisoners in enemy stockades, local needs of military personnel and their families, and to support the USO.

With victory and peace, the War Chest was in the process of disbursing its remaining funds and disbanding. Then in 1948, two special gifts of life insurance from the families of Lt. John L. Carter and Pfc. John Gilbert Wickwire, both of whom lost their lives in battle, were donated to the War Chest. The Chest accepted the insurance contributions, plus additional funds given by the families.

Discussions began to use the remaining funds to develop a permanent endowment for Jackson County. In 1948, a total of $20,000 was transferred to begin the Jackson Community Foundation.

The Community Mission Foundation
One of those grants was $100,000 in 2005 toward the completion of the Falling Waters Trail. Connecting the Village of Concord with the City of Jackson, the trail was built on an abandoned stretch of the Michigan Central Railroad. The 10.5-mile, 12-foot-wide paved trail is ideal for walking, running, or biking as it travels through natural springs and lakes that form the headwaters of four major Michigan rivers.

Honoring our Past

Earlier we told you how the Carter and Wickwire families donated proceeds from their sons’ life insurance policies to help start the Foundation. Here is more on their sons’ stories.

Lt. John Leavitt Carter was born in 1920 to Mr. and Mrs. George M. Carter. Lt. Carter attended Sharp Park School and Culver Military Academy. He entered Cornell University in 1939. At the end of his sophomore year, he joined the Army Air Force. Stationed in England, Carter took part in the June 6, 1944 D-Day invasion of France. On July 2, 1944 he crashed his P-47 fighter over Saint-Lo in France. He was 24 years old.

Pfc. John Gilbert Wickwire was born in 1924 to Mr. and Mrs. J. Sterling Wickwire. Pfc. Wickwire attended schools in Jackson and graduated from Irving-on-the-Hudson in New York. He joined the Army in 1943 and served as an infantryman in Luxembourg and Belgium. Arriving in the European Theater in August 1944, Wickwire was killed November 23rd as the Germans prepared for the eve of the Battle of the Bulge. He was 20 years old.

Preserving our Future

The Carter and Wickwire families understood the importance of planning for the future and creating a legacy for their families. By naming the Jackson Community Foundation in your will, you can join a distinctive list of individuals and families who are doing the same.

1962  A Foundation for Today & Tomorrow

In 1962, the YWCA received a $1,000 grant to refurbish and remodel their nursery and classroom facility. This was the beginning JCF’s support of the YMCA, which continues today. Since 1948, the YMCA has received over $658,000 in grants!

1997  

In 1997, the Foundation granted $100,000 to the “Y Center” for renovations in the aerobics center and locker rooms. An additional $58,000 was granted to pay for a 12-month assessment of the Y Center’s organizational strengths and needs. Then JCF Executive Director Neeta Delaney said, “All over the world of philanthropy, grant makers are looking at the big picture. It’s one thing to have a wonderful program, but you need a corresponding management plan.”

Community foundations are public charities dedicated to improving the lives of people in a local area… for us, Jackson County. We are unique from other charities as we do not support one specific cause but rather invest in many new and existing programs that other organizations specialize in. One way we do that is by helping donors create endowment funds used to make a positive impact on our community! Most contributions are permanently endowed, meaning they are permanently invested to produce income for generations to come. The income earned is then used to make grants to local charitable programs.

2020  

Fast forward to 2020. JCF continued their support of the Jackson YMCA with a $25,000 grant toward the renovation of their downtown building.

JCF President and CEO, Monica Moser, said, “The Jackson Community Foundation believes a thriving YMCA facility in downtown Jackson will have a positive effect on our community’s overall health and well-being.”

1978 Creating a Legacy of Philanthropy

In 1978, the estate of Robert W. Hancock bequeathed 1/4 of its value, $513,000, to the Jackson Community Foundation. Today, that amount would equate to $2.3M. Hancock was one of the founding members and past Board Chairs at the Foundation, serving from 1948–1973. He was a successful Industrialist and joined his father’s company, the Hancock Firm, following his graduation from Massachusetts Institute for Technology. He later became President following his father’s death. He was also passionate about helping our community and founded his own private foundation, The Hancock Foundation, in 1966. He wrote in JCF’s 1970 Annual Report “Have you ever wondered how you could repay your community for the many benefits shared over the years? It is here that we have lived and worked, built our homes and raised our families and found our friends. How then do we balance our account with a community that has been so good to us?” Robert not only wrote those words, he lived by them. In 2019, the remaining assets of the Hancock Foundation, $450,000, was transferred to the Hancock Fund held by JCF. This Fund ensures Mr. Hancock’s desire to help our community will continue for generations to come!

2018 The Carter Wickwire Philanthropy Award

“What we have done for ourselves alone dies with us; what we have done for others and the world remains and is immortal.” Albert Pike

For the Foundation’s 70th Anniversary in 2018, we began a new tradition that honors the past while recognizing our present day philanthropists. The Carter Wickwire Philanthropy Award honors a living individual or couple for their contribution to help grow the Jackson Community Foundation’s impact in Jackson County through philanthropy. The following individuals are past recipients that have exemplified the meaning of philanthropy by dedicating their time and talent to better our community: Carlene Walz Lefere, Georgia and Travis Fojtasek, Anthony “Tony” Hurst, and Dr. Jerry Booth.
The Youth Advisory Committee (YAC) was established in 1989 through a challenge grant from the W. K. Kellogg Foundation. Kellogg’s intent was to establish youth as philanthropists and build permanent endowment funds to meet youth-related needs within each community.

In 2011, the YAC was recognized by the Council of Michigan Foundations as the top youth organization for Outstanding Community Outreach. Since 1989, this YAC has distributed more than $1 million to Jackson County non-profits to benefit youth.

Our YAC had another important milestone in 2014 when the Board approved a YAC Committee Member to serve as a Trustee and voting member of the Board. **Former YAC Trustees:** Michael Funkhouser, Nate Lavery, George Campau, Chris Spencer, Emmah Bashir, Colin Glick, and Phoebe VanHeyningen.

Myrna I. Berlet was a longtime resident of Jackson and lifelong conservationist. Myrna was an accomplished teacher, photographer, filmmaker, and wood carver whose love of nature, faith, and community was evident in everything she did. After receiving degrees in Biology and Zoology, she and first husband, Walter Berlet, went on to build an internationally renowned nature film business. Upon her passing, Myrna left a $5.1M bequest to support the Dahlem Conservancy, an organization beloved by her, and by doing so, was able to ensure its viability for generations to come.

“We are honored that Myrna trusted the Jackson Community Foundation as the vehicle to support an organization that was very important to her,” said Monica Moser, President & CEO. “By establishing The Berlet Fund for Nature, Myrna’s legacy as a conservationist will continue to impact Jackson County for generations to come. This Fund will provide a permanent endowment that will grow from investment, serve as a tool for others to contribute to, and provide annual, sustainable income to the Dahlem Conservancy.”
